

Flags of Our Heroes

“Flags of Our Heroes” is an initiative of the Honor Flight Network, conceived by the late Dave Bauer, a Vietnam Veteran, recipient of the Purple Heart, and former Honor Flight Network Board Member. Too many of our Honored Veterans have passed away before they had the opportunity to visit the memorials dedicated to their service and sacrifice. Even though they will never see their memorial, we want to provide the families with the opportunity to know that their family member was shown the highest regard and respect at their memorial.

Honor Flight Syracuse invites family and friends to submit a copy of a good quality photo of the veteran, proof of military service (a copy of the obituary will be sufficient, if it mentions military service), and the application on the reverse of this sheet. **Please black out any personally identifying info like Social Security numbers.**

Your Veteran's photo will be taken on an Honor Flight Syracuse mission to Washington, DC. An American flag donated by the family of a deceased WWII Veteran and the photo will be placed in front of the appropriate memorial and a photo taken. After the mission returns, the Veteran's family will then receive an 8 x 10 photo and a certificate from Honor Flight honoring the veteran. We will make every effort to return all items submitted to the family after the trip, but please do NOT submit original photos or documents.

To honor a deceased veteran from your family or your community, please submit the application on the reverse with the photo of the Veteran. Applications may also be submitted online or downloaded from the Honor Flight Syracuse website at www.HonorFlightSyracuse.org.

Honor Flight Volunteer Nate Bradley coordinates the “Flags of Our Heroes” program for Honor Flight Syracuse. We honor many Veterans on every mission. For more information, please contact Nate at FlagsOfOurHeroes@HonorFlightSyracuse.org or by phone at **(855) 433-5633, Option 5.**
